

CCC's Health & Safety Manager Rob Roe receiving the BPIF Seal of Excellence certificate for Health & Safety from BPIF's Regional Director Chris Selby

BPIF CERTIFICATE PRESENTATION

Rob Roe receiving the BPIF Seal of Excellence certificate for Health & Safety from Chris Selby. This is now the second Seal of Excellence The Corrugated Case Company have been awarded.

Explaining the company's achievement Rob stated "The processes involved have helped us develop a better health and safety culture throughout the business and as a result there is an acceptance that we can continue to raise the bar" adding "Maintaining our occupational H&S Management system has led to a positive Health & Safety culture being developed with improved staff morale and better working conditions"

Chris Selby Regional Director from BPIF commented that "“Good leadership and commitment to H&S throughout the business has enable Corrugated Case Company to identify key hazards and control them through the risk assessment process effectively reducing the risk in the work place by making staff aware of the hazards and how to control them”"

Mark Wilcockson Managing Director commented "Maintaining the seal of excellence shows customers, employees and the enforcement authorities, that we take H&S very seriously and as such we can demonstrate compliance to a demanding standard. This in turn, improves our reputation with our existing customers and can result in new business leads with others.

BPIF Seal of Excellence
