

## COMPANY ISO 9001 QUALITY POLICY.

**Our policy is to ensure that our products meet both customer and Legal requirements, and that products are supplied to customers to a consistent high standard of quality, to specification, OTIF and in accordance with good manufacturing practices at all times.**

**The organisation will continue to review results of, and assess its objectives as part of its commitment to maintaining ongoing quality standards and improvement plans. These Quality Objectives will be set to support this policy, and the organisations changing context leading to Continuous improvement of our processes, and systems.**

**The Management Team is committed to providing leadership and direction and means to implement the Quality policy through the following:**

**Communicating this policy to all employees and ensuring that all personnel are aware of their obligations under the organisations Quality Management System. That they are working to the system procedures at all times and in turn are provided with adequate training, support, equipment and resources.**

**We are committed to Maintaining our QMS, promoting the use of the process approach and Achieving accredited ISO 9001 certification through co-operation, motivation and effective collaboration with interested parties. This will ensure we consistently meet or exceeding our customer's expectations for product quality and performance.**
